Yellowstone activities

BUS TOURS: All expense tours by bus are a most relaxing way to see Yellowstone. Experienced drivers guide you along Yellowstone's 300 miles of paved roadways, describing the wondrous sights along the way. Bus tours are available year-round. Park-wide tour brochures are available upon request.

MARINE ACTIVITIES: Yellowstone Lake provides one of the most enchanting sights in the Park. You may hop aboard a scenicruiiser for a tour of Yellowstone Lake at Bridge Bay and Grant Village Marinas. Rowboats, motorboats and cruisers are for rent at these docks also. **FISHING:** The Park has more than 440 miles of blue-ribbon trout streams and many alpine lakes. From boat or bank, you may try for cutthroat, rainbow, brook, Mackinaw or brown trout—or Montana grayling. Fishing tackle is available at the Yellowstone Lake boat docks. Experienced boat guides can take you to where the big ones are biting. No license is required to fish in the Park, but fishermen should know the regulations.

SADDLE HORSES: For travelers looking for excitement, saddle horse trips offer the warmth of the Old West. An experienced wrangler will guide you—astride trail-smart horses—into the unspoiled wilderness of Yellowstone from the Canyon, Mammoth and Roosevelt areas. (Minimum children's age 7)

STAGECOACHES: At Roosevelt Lodge picturesque coaches from a once-great fleet still survive. These sturdy Concord, pulled by strong horses, bounce you along forest and sagebrush trails.

COOKOUTS: Enjoy an authentic Western meal in a true trail drive camp setting. Original stagecoaches return to historic Yancy's Hole from Roosevelt Lodge.

HORSE PACK TRIPS: Fully outfitted pack trips into the high country. Trips originate Friday for 2 nights and Tuesday for 3 nights from Mammoth Motor Inn. (Minimum children's age 7)

CAMPFIRE PROGRAMS: Ranger-naturalists discuss the mysteries and beginnings of this great Park over a crackling campfire nightly (in season) at: Mammoth, Madison, Grant Village, Bridge Bay, Fishing Bridge, Canyon and Tower Fall.

VISITOR CENTERS: Informative museums are located at: Mammoth, Norris, Fishing Bridge, Grant Village and Canyon.

GUIDED WALKS: Nature walks are conducted over scenic trails, morning and afternoon. There are also self-guided, well-marked trails for the hiker.

Tickets required on any of the above activities and detailed information is available at the travel and information desk at Mammoth Motor Inn, Old Faithful Inn, Lake Hotel and Canyon Village.
